INTRODUCTION

My name is Herman Humphrey, a passionate student at the university of Gisma. I am 19 years of age and persuing Computer Science as a first year. I chose computer science because I have a strong interest in software development, problem-solving and algorithms. I am very optimistic and eager to apply the knowledge I obtain at the end of the course in the real world setting.

ACADEMIC BACKGROUND

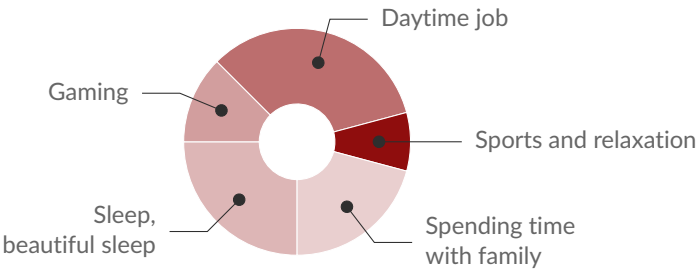

MOI HIGHSCHOOL KABARAK

KCSE GRADE B+

MAKINI SCHOOLS

KCPE MARKS 384

A DAY OF MY LIFE

MY LIFE PHILOSOPHY

"To live a life full of gratitude where I look at the positive things in my life and not the negative aspects."

MOST PROUD OF

- Fantastic Achievement**
 Being able to study in Germany as a computer science student.
- Another achievement**
 Many certificates and medals from sports participation
- Another achievement**
 more details about it of course

STRENGTHS

- Hard-working
- Go getter
- Optimistic
- C++
- Python

LANGUAGES

- English
- Swahili
- German

EDUCATION

BSC IN COMPUTER SCIENCE
GISMA UNIVERSITY OF APPLIED SCIENCES

April 2025- Ongoing
 Thesis title: Computer Science

CERTIFICATE
 MOI HIGH SCHOOL KABARAK
 AUGUST 2021-NOVEMBER 2024

REFEREES

- Prof. William Morrison**
 @ Gisma school of applied sciences
 william.morrison@gisma-education.com
